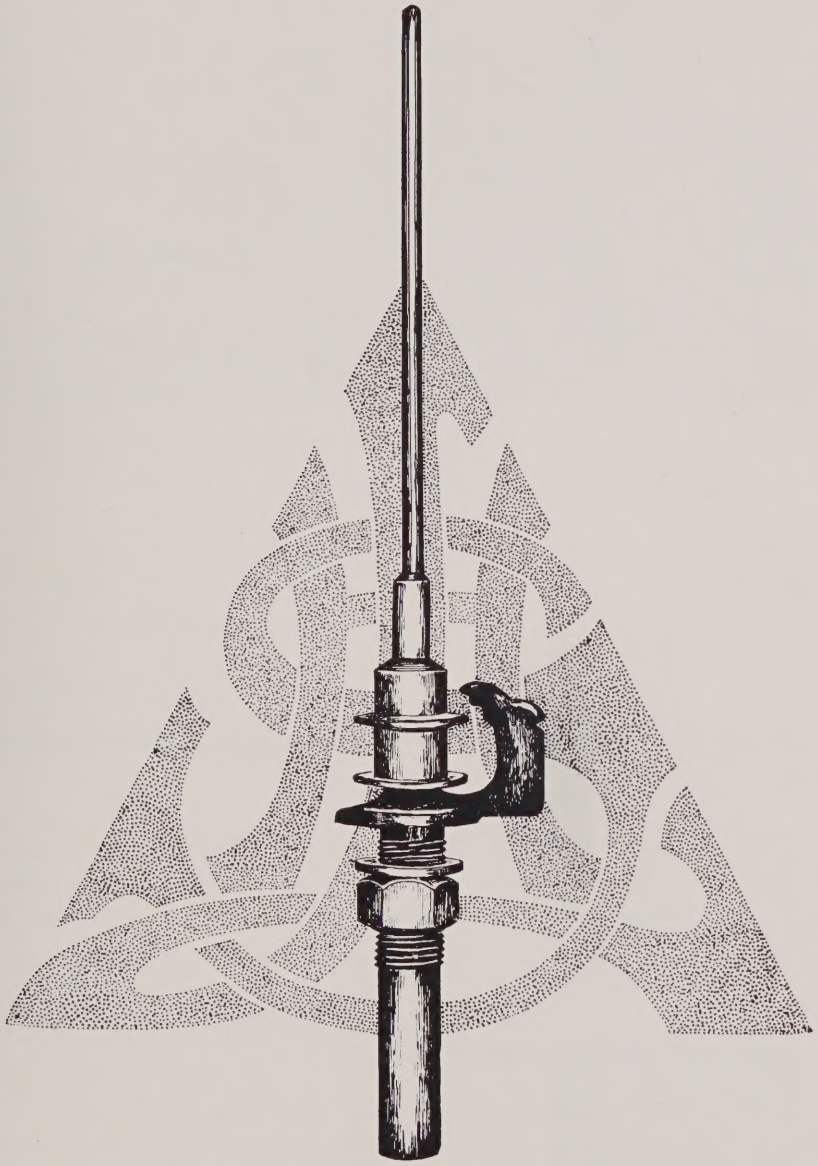
The Spindle



LOWELL HIGH SCHOOL

LOWELL, MASSACHUSETTS

1965

RAYMOND A. SULLIVAN
Headmaster

To the Graduates of 1965

In the year of your graduation National efforts are being exerted to develop a great Society and to conduct a War on Poverty. That such aims would now exist could not have been imagined half a generation in the past. What situations will face you in the future we cannot anticipate. The faculty hopes that all the planning, and training concentrated on your education will provide you with resources which you can expand to help you to meet the changing future. We feel that you must be flexible in a world growing constantly smaller and constantly more complex. Throughout the world we trust you will use the knowledge you have gained here as a basis to continue and to contribute to the advance of social conditions beneficial to yourselves and to your environment.

Class Ode

To those who guide us in our youth
We give our gratitude
And dedicate ideals of truth
To aid the common good.

We who in faith our trust retain
Now raise our flag unfurled
That safe and strong mankind may reign
With Peace around the world.

In common search for amity
We ask help from above.
We offer all our loyalty
To universal love.

Responsibility and worth
Shall label us as men
That we may now provide the earth
With peace for all. Amen.

The staff is chosen at the beginning of the senior year by the homerooms. These homeroom representatives collect the money from their classmates. The editor-in-chief, who is in charge of the whole operation, is chosen from among these ranks.

We, the staff, only hope that through our endeavors you may look back with fond memories of Lowell High School and the Class of 1965.

The Staff wishes to express deepest gratitude to Miss Anna Ryan without whose guidance and assistance this book would not be possible.

One of the most colorful organizations to add to Lowell High School's own entertainment field is the Dance Band. This compact and energetic group, composed of eligible members from the school's regular band, receives professional direction from Mr. William J. Notini. Every Wednesday night sweet music wafted through the halls of L.H.S. during the Dance Band's hours of rehearsing. The finished product from their practice brought many ovations during assemblies, the school show, the school play, dances, and class socials.

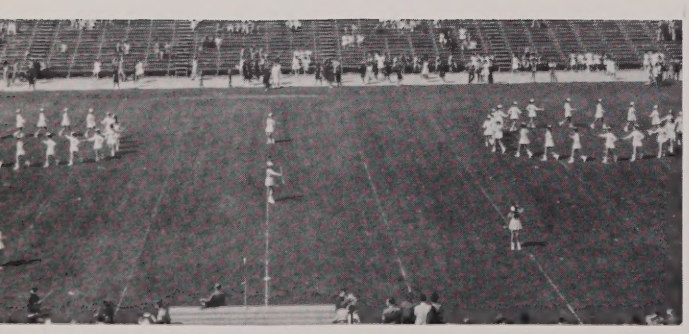
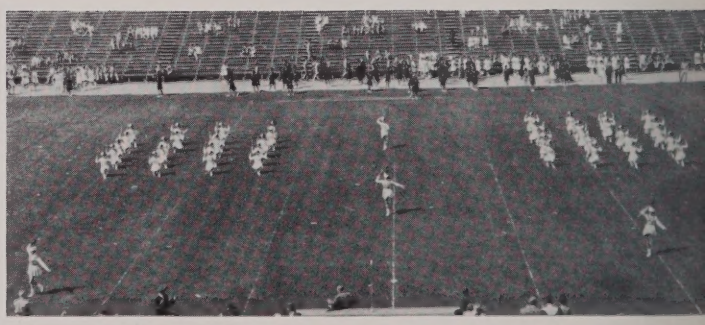
Leaders





Since its beginning in 1935 by Wilfrid T. Boulger, the Baton Twirlers have been active at Lowell High. Now, under the direction of Mrs. Barbara (Quinney) Capone, a former head leader, the twirlers have displayed their many talents at football games, executing their well-precisioned drills, and at parades, including those on Memorial Day and Field Day. Hard-working describe these girls, who practice all year long and compete in contests all over New England. They also make individual appearances at school assemblies, rallies and other civic functions. The group of about seventy girls was led this year by Cynthia Peroney, who has also copped the trophy for the Greater Lowell - Greater Lawrence All Star Queen contest, which is held annually under the lights at Lowell Stadium.

The privilege of wearing the National Honor Society Pin is reserved for those students meeting certain requirements: character, scholarship, leadership, and service. Juniors in the top 10 per cent of their class, and seniors in the top 15 per cent of their class are eligible to be elected. To become a member of this society is one of the most honored scholastic attainments a student can achieve.

The purpose of this society, founded in 1927 by Miss Helen Choate, and now under the guidance and leadership of Mr. John Leary, is to stimulate the students' interest in scholastic achievement and in individual character development. The Girl Officers Regiment of Lowell High School, in existence over seventy years, represents the concentrated effort of seventy-two energetic, young, physically fit women. The incentive to become a Girl Officer creates a determination for girls to work to the best of their ability to win a place in this group. Under the direction of Mrs. Bernard J. Burns they act as leaders in the physical education classes. The effect of this leadership is tremendous and serves as an inspiration to the undergraduates, who strive to follow their example. Community service is an extracurricular activity. The girls, who are constantly in demand, never fail to answer calls made upon them.

Co-operative Retailing

On the twelfth grade level, the Co-operative Retailing course is available to seniors who are sixteen years of age or older.

To qualify for the course, excellence in scholarship, attendance, personality, appearance, conduct, and interest is essential.

Under the Co-operative plan of combining in-school training for High School seniors with related practice experience on supervised jobs, students are in school in the morning, and during the afternoon are on supervised job placements. Lowell merchants cooperate with the school in providing the training and supervision on the job.

The personnel directors from our local stores interview prospective students at the end of the junior year. This previous high school record, plus the personnel director's rating, determine which students are acceptable for employment.

The Chorus

FLORENCE SAVAS

As the name implies, this group comprises only those seventy-five or eighty students who qualify and pass the audition to perform in this "Special" group. The technical and artistic requisites are: to sight read and memorize music, to possess a strong and pleasing voice, and to have a flexible voice and mind. A student must also display qualities of leadership, must be responsible, reliable, and cooperative.

A minimum of two periods per week and one Wednesday afternoon rehearsal, for one and a quarter hours are a must.

The Chorus sings at all the school assemblies, the Citizenship Ceremonies at the Court House, at the City Hall Christmas Lighting Festival, at Civic appearances, at the School Show, and at the North East District Music Festival, held this year in Maynard on May fifteenth. Twelve students sang in the Mass Chorus of five hundred voices, and the Special Chorus received a high rating and top acclaim in their competition.

Miss Florence Savas who directs the Special Chorus and the School Show says that many students find this musical foundation invaluable to them in college and in music careers.

Officers

For the past eighty-three years the Cadet Officers of Lowell High School have successfully and admirably represented their school and city.

To be Cadet Officers is an honor and a duty. It marks the cumulation of two years of competition and work. In the sophomore year the boys take a competitive test to attain the rank of corporal. During the junior year there is a competitive test to become a sargeant. Toward the end of the junior year the Cadet Officers test is taken in two parts; a competitive test, and a verbal, in which the prospective officer drills a platoon of other aspirants. From the ranks of those who are selected come the captains, first and second lieutenants according to grade.

In the senior year the captains compete before a board of judges. The winner of the drill has the honor of becoming the Brigadier General and commander of the entire regiment. Also chosen, according to marks, are colonel, lieutenant colonels, and majors.

The Cadet Officers leave behind their senior year full of memories they never forget. The Generalcy Drill, Cadet Officers' Ball, Field Day, and Memorial Day all stand out as highlights of the year.

Special thanks is in order to Lt. Col. John Beaulieu and Major James Murray, without whose direction and example the Cadet Officers Regiment would not attain the heights that it does.
